

Suspects Nabbed Here For Vallejo Store Burglary

Lodge Employee Reports Offer To Sell Gun At Low Price

Two men and a woman are held in the Truckee jail in connection with a burglary of a sporting goods store in Vallejo Monday night when 22 guns of various types were stolen.

Constable N. F. Dolley reports 16 guns answering descriptions of those stolen were found in possession of the trio when their cabin at Donner Lake Lodge was raided by a posse of local police and highway patrolmen Tuesday night. The men told officers six of the stolen weapons were hooked here and in Reno.

The suspects gave their names as Clarence E. Hudson, 23, Vallejo, Arthur A. Cantrell, 24, Denton, Texas, and Myrtle Frances Bell, 22, Fort Worth, Texas.

Suspicion was attracted to the trio when an employee of the lodge was offered one of the guns at a ridiculously low price. He informed the lodge owner who in turn notified Dolley.

Dolley was accompanied on the arrest by Deputy Sheriff Wesley Fair and State Patrolmen William Gautsche and Roy Stallard. The latter two were called into the case when it was revealed that the new car in the possession of the suspects had a fictitious Utah license plate.

Both men are believed by officers to have police records and the FBI has been notified as well as Vallejo police. It is understood the FBI in Kansas City has issued a "hold" request for at least one of the suspects.

The arrest of the three men had unusual circumstances, Dolley said. He was notified at 6:30 o'clock Tuesday evening and called Fair and Gautsche to assist. The three were joined by Patrolman Stallard and accosted Hudson and Cantrell at the resort bar. Asked about the ownership of the car, the officers were informed the papers were in the vehicle and when they went to get them, Cantrell opened the glove compartment and came back with a revolver.

The officers went into immediate action and things were threatening until they found the gun was unloaded.

Both men appeared "tough," Dolley said, and when the two patrolmen took them to the patrol office for questioning, Dolley and Fair returned to the bar for the woman. Upon arriving at the patrol office, no one was there and after an hour's search and believing the patrolman may have met with foul play, a general alarm was sent out but cancelled shortly when the four were found near the depot in town.

Officers said the suspects had logged some 6,000 miles in 22 days over several western states.

Doctor and Wife Leave For Needed Vacation

Dr. and Mrs. L. D. Nelson left yesterday for a vacation and expect to be gone all of next week while the doctor recuperates from a severe case of physical exhaustion brought on by overwork. He was taken to a Reno hospital for emergency treatment last Saturday and returned home Monday greatly improved but with a warning to take a rest.

Dr. and Mrs. Rene Modglin of Glendale will arrive Monday and the former will take over Dr. Nelson's practice during his absence. Dr. Modglin, a teacher in the College of Medical Evangelists at Loma Linda, is well known in this area, having practiced during the summer months at North Tahoe.

Del Carlos Return to Re-Open Farmhouse

TAHOE CITY—Mr. and Mrs. Dante M. Del Carlo have returned to Tahoe City and have reopened their charming Swedish Farmhouse for the summer. They plan improvements in the property and will continue the same service as in the past.

They report Mrs. Olga Olander, formerly of Tahoe, is successful in her operation of a cafe similar to the Farmhouse in the bay area.

Another Truckee Youth Enlists With U. S. Navy

Another Truckee youth, James Howard Painter, enlisted in the Navy at the recruiting station in Reno on June 19 for a period of four years. At present he is undergoing 11 weeks of recruit training in San Diego and upon completion will be granted several days boot leave to visit his parents, Mr. and Mrs. Carl Painter of Truckee.

Prior to enlisting, Painter attended Tahoe-Truckee high school and was graduated on June 9.

The first shoot, the Nevada Class Championship, 100 16-yard targets, is sponsored by the Sierra Lodge and will feature A, B, C and D class targets, and will be held Friday morning. Friday afternoon the 50-pair doubles championship A, B and C classes will be held, sponsored by Bert Cochran's Log Cabin and the North Shore Club will sponsor the championship 200 bird 16-yard shoot, the first half being held Saturday morning and the second half Sunday morning, with 100 birds at each shoot.

The Cal-Vada Lodge Handicap will be held Sunday afternoon at 2 o'clock to close the affair, which will attract shooters from all parts of the country. Reservations may be made with Dixie Reese, Tom Sutton, Bert Cochran or Johnny Rayburn.

DOLLEY BUYING STONE GARAGE FROM SI PERKINS

N. F. Dolley this week revealed that he is completing arrangements for the purchase of the Stone Garage at High Street and East Main from Walter (Si) Perkins.

Dolley said he will use the space principally for his Truckee Ambulance vehicles and for permanent storage rental. At the present time the busses of the Tahoe-Truckee Unified School District are being overhauled there and arrangements have been made for their storage until such a time as the garage at the high school plant is completed.

Perkins, who has operated the garage for the past few years, has not revealed his immediate plans but it is understood that he and Mrs. Perkins, who is employed at the post office, will continue to live here.

Dolley said that no commercial work will be handled in the garage under his ownership, this being referred to other garages in the district.

Travel Continues To Gain On 40, Report Reveals

Truckee Is Strong Second, Led Only by Yermo Entry Point

SACRAMENTO —(C. N. S.)—With two more plant quarantine stations open after Sierra passes were cleared of snow, traffic into California showed a sharp increase during May, the state department of agriculture reports.

The two stations, both seasonal, are located at Brockway and at Woodfords and traffic through both was light during the initial month.

Truckee continued to rank second in number of automobiles and passengers crossing the state line in May, with Yermo still the leader. Truckee reported 28,429 passenger cars as compared to 36,960 for Yermo. Passengers totaled 84,447 at Truckee against a count of 100,468 at Yermo.

The Truckee border station is principal entry point for northern California.

Stateline on Highway 50 reported a total of 6,890 cars, 152 trucks, 18 stages and a total of 17,806 passengers.

Brockway had 964 cars with a total of 2336 passengers.

During the month 197,263 passenger automobiles entered the state as compared with 170,776 the preceding month. Commercial trucks numbered 22,163 and busses 3,567.

Passengers through all border stations numbered 581,463, of which 256,667 were from other states. This compared with a total of 507,335 the month before of which 219,346 were from other states.

TWO ARE FINED BY WILSON FOR DRUNK DRIVING

Eldon Lawrence Harris, 35, Emigrant Gap, was fined \$450 and his operator's license was suspended for one year after he appeared before Justice of the Peace Foster Wilson Friday on a drunk driving charge. His car ran into the rear of a truck on Donner grade earlier that morning. He was also charged with violating the county's sobriety ordinance. He was arrested by officers of the California Highway Patrol.

Lloyd A. Whaley, 48, South Dakota, was fined \$150 yesterday on a similar charge. He was arrested Tuesday by Deputy Sheriff Wesley Fair at the quarantine station. It was Whaley's first offense.

Road Work Requires "40" Traffic Controls

Traffic delays on Highway 40 between Truckee and the Nevada state line will continue for short intervals today, Friday and Monday as crews complete seal coating and graveling the surface, District Superintendent T. T. Buell announced. The traffic control is being maintained, Buell said, to prevent fast travel over freshly gravelled road which tends to throw the chips off as fast as the equipment places it. Rather lengthy controls are thus necessary over the 15-mile speed areas.

Controls are maintained between 8 a.m. and 8:30 p.m. The project will be completed Monday.

Social Security Advisor In Truckee on June 25

A representative of the Social Security Administration will be in Truckee on Monday, June 25, from 10 a.m. to noon at the Truckee Public Utility office.

BANKRUPT

The first meeting of creditors in the bankruptcy proceedings of Marion Spencer Strickland and Marie Louise Strickland, former summit residents, now of Richmond, will be held June 26 at Oakland, according to notices received here from the referee in bankruptcy.

Mr. and Mrs. Roy McKinnon of Sacramento visited at the Anton Mahne home for several days last week.

Sun Beams by Walter M. Barrett

The drive for funds to fight cancer, sponsored by the Truckee 20-30 Club, is not resulting in the success expected. While some have donated generously, there are many more who have either ignored the letters sent them, or have delayed returning their contribution. The drive will continue through this month and everyone is urged to help. Cancer can be conquered, but it will require the unselfish help of all. The 20-30 asks that you give what you can. The members of this sponsoring club are giving time as well as money and all they ask in return is co-operation.

In sponsoring a move to have the antique bridge over the Truckee River on the Brockway cutoff replaced or repaired to permit all traffic over it, the Truckee Chamber of Commerce has hit upon a real need in the community. It becomes more and more evident that the state will delay taking over the lateral, and in the meantime the road is becoming more in demand. Currently only light vehicles are allowed over the Nevada County portion of the road. Chamber officials believe that reconstruction or repair can be accomplished without additional taxes and will ask that the supervisors give consideration to the project on the basis of its importance to the welfare of the community and county.

PLANS FOR 4TH, OTHER MATTERS BEFORE CHAMBER

Complete plans for decorating the town on the Fourth will be made at a meeting of the Truckee Chamber of Commerce directors at Gateway Cafe tonight, President Reg Smart announced.

A number of other matters, including discussions relative to the bridge over the Truckee River on the Brockway cutoff, plans for an information booth at the Truckee-Tahoe Wye, and the membership drive are scheduled and all members or others interested are invited to attend the supper session at 7 o'clock.

John Rablin in Korea With Signal Corps

Just four days after reaching Japan with his signal corps company, Pfc. John T. Rablin of Truckee was en route to Inchon, Korea, where the allies are engaged with the communists in one of the bitterest battles of the war.

John attended the lineman's school and will be engaged, no doubt, in installing communication lines in the war torn Korea.

His brother, Perry Jay, is expected home this week after nearly a year in Korean waters aboard the famous carrier, USS Philippine Sea.

Program Director Is Honored by Sisters

Pythian Sisters of Summit Temple 79 met Thursday for a regular session and to honor Ruth Hesse, the program director, for the outstanding work she has performed. She was presented with a nice gift and many members turned out to honor her. Refreshments were served by Mesdames Edith Pfandler, Mildred Coffey and Hazel Roberts.

Most Excellent Chief Hazel Roberts revealed that the state organizer for Future Pythians Sunshine Council will visit here soon to explain the purpose of this order.

Mr. and Mrs. Fred Randolph of Oakland were weekend visitors with William Porter, en route home from a Colorado vacation.

Mountaineers To Meet Westwood In Sunday Game

Giovannoni Grand Slams But Portola Is Winner 11 to 7

That the Truckee Tahoe Mountaineers are getting into much better shape for the baseball season than was indicated by the first two games was shown Sunday at Portola when the Feather River League leaders won by a close score of 11 to 7.

The calibre of ball played shows that the locals will be in a position to win Sunday when they engage the Westwood nine at the local park in what promises to be a bang-up contest. Manager Tom Dolley said he has secured a new pitcher, Frank Johnson of the Truckee Lumber Company, who will relieve the local staff of Kielhofer, Giovannoni, Rau and company. A new infielder is also promised, Dolley said.

Truckee started the game last Sunday against Portola with Frank Giovannoni hitting a grand slam homer in the first frame to give Truckee a four to one lead. Portola came back strong, tying the score and going in front in the fourth and holding Truckee scoreless from then on.

John Rau was the starting pitcher; was relieved by Giovannoni in the fourth. Ernie Dugan was back of the plate and caught well.

Howard Martin suffered a cut over his left eye when a ball struck him. The team as a whole played very good and showed the result of practice.

Eddie Ulsheimer again led the local batters with a nice 4 for 4. Billy Campbell collected 2 for 3, with Stark and Dugan each poling 2 for 4 for a nice .500. Giovannoni and Davidson each got one for five, the balance of the crew, Foster, Frates, Martin, Burns, Rau and Wakefield going hitless, Rau being up only once.

Lions Accept Slate, Elect New Officers

Following the recommendations of the nominating committee, members of the Truckee Lions Club last night elected Robert Seibold president for the coming year to succeed Robert Gifford.

Other officers elected include William Becholdt, first vice president; Angelo Beso, second vice; E. K. Stice, secretary; R. A. Scott, treasurer; Jay Richards, tailtwister; A. M. Anderson, Lion tamer; H. T. Langille, Stanley Martin, Charles R. Heller and Roy Waters, directors.

The new officers will be installed in July.

Mrs. Harry Smith Writes From Colorado

In a newsy letter from Boulder, Colo., Mrs. Harry Smith sent the family's best regards to her many local friends with her renewal to the Sierra Sun which she described as "the highlight of every Monday for us."

Mrs. Smith reports that her daughter, Wilma, graduated from the Boulder high school and plans to enter Denver University and receive her B.S. and R.N. degrees at the same time she completes her four years and six months training at St. Luke's hospital. Daughter Lois completed her finals at Colorado University last week and is enjoying a vacation. Baby Harry Lee is reported growing "like a weed."

Smith has 3000 white leghorn hens and over 8000 broilers with a good market. Mrs. Smith plans to return to the hospital this summer for further treatment to her leg, injured in a serious auto crash here two years ago.

Star in Ballet

Miss Bobby White, daughter of Mr. and Mrs. Guy White of Colfax and formerly of Truckee, is to be presented in the starring role of a ballet to be staged in Grass Valley Friday evening, June 22.

Mr. and Mrs. William Preston and family have moved to Sacramento, where the former is employed by the municipal utility district.

River Bridge Improvement Being Sought

J. F. O'Conner, Nevada County road commissioner, was here last week to make a survey of the county roads in this district and was accompanied on the inspection tour by Supervisor H. G. Loehr.

Among the items studied was the ancient bridge over the Truckee River on the Brockway cutoff. The county officials spent some time inspecting the structure for the purpose of determining the advisability of either repairs or reconstruction.

The bridge is held to be no longer adequate for heavy traffic and a recent inspection by state engineers was conducted for the purpose of recommending a weight limit to stand until either the span is reinforced or reconstructed. Supervisor Loehr was advised that the recommendation would probably call for a seven-ton limit for single vehicles and a nine-ton limit for a combination of vehicles, such as trucks with trailers. At the present the weight limit is posted at 8000 gross and thus eliminates virtually all trucks.

While no citations have been issued for violating the posted weight limit, the highway patrol reports that all trucks which customarily use the crossing have been warned.

The chamber of commerce has gone on record as favoring action by the board of supervisors to give favorable consideration to rebuilding or strengthening the bridge so that it can be used for heavier loads, holding that the present condition of the structure is a handicap to the welfare of the community, since the bridge is frequently used by cargo vehicles between here and Lake Tahoe, as well as local logging concerns, road equipment and other local industries.

JUDICIAL REFORM WOULD RE-UNITE TAHOE COURTS

Chief Justice Phil Gibson, chairman of the state judicial council, has sent the Placer County supervisors a survey of Placer justice courts in which it is recommended that six courts can serve the county adequately. Ten are now in operation.

The courts which would be eliminated are in Alta, Newcastle and Loomis, while the Tahoe City and Kings Beach courts would be consolidated under the recommendation.

The supervisors ordered the survey included in the minutes but set no time for further consideration.

RITA AND IMOGENE GREET AMPUTEES ON TAHOE OUTING

Thirty-four GI amputees from the Korean war enjoyed a packed weekend at Lake Tahoe as guests of Lake Tahoe American Legion Post 795 and the Tahoe Coast Guard flotilla.

Hostess for the veterans was Rita Hayworth, erstwhile cinema actress, Moslem princess and resident at Glenbrook, who accompanied the men to various resorts during their stay.

The GIs, most of missing an arm or a leg and few of them double amputees, were flown up from military hospitals in San Francisco and Oakland. With them were nurses and a doctor.

Among those on hand to greet the amputees was 17-year-old Imogene Wittsche of Roseville, who lost both legs above the knees in a tragic speedboat accident at Lake Tahoe but has learned to walk with artificial limbs. She also swims, dances and rides a bicycle.

She confided to Marine Cpl. Frank Whorley, 23, Roanoke, Va., "You know, the one thing I can't do yet is bowl."

"I've lost both my legs too," Whorley replied. "I tell you what. We're going to have a bowling tournament tonight and if you'll come with me, I'll show you how. You've got me beat on that bicycle though."

AUDUBON SOCIETY OPENS CAMP AT SUGAR BOWL

Audubon Camp of California for adults in the high Sierra at Sugar Bowl, near Norden, opened its 1951 season Sunday.

Operated by the National Audubon Society, the camp will be run in five two-week sessions. Teachers, youth leaders and camp counselors from throughout the nation are expected to attend. They will study plant and animal life of the Sierra. Campers will be housed in Sugar Bowl Lodge.

A daily program of field trips will give campers an opportunity to observe living plants and animals under expert guidance. The staff is composed of naturalists selected from faculties of universities and colleges.

SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W
Tahoe City, June 17

Dear Tahoeites:

This Sunday was a memorable day. The weather was perfect and the grand crowd that turned out for the christening and launching of the new luxury cruiser Tahoe at Tahoe Boat Company's pier remained in a jubilant mood throughout the day. Duant Pomin, 12-year-old daughter of the Robert Pomin of Tahoe City and great-granddaughter of Captain Ernest Pomin, first captain of the old steamer Tahoe, went through her christening performance like a veteran, the bottle of champagne breaking with perfect accuracy on the first swing. The crowd cheered and cameras hummed as the trim cruiser, bedecked with colorful flags, slid noiselessly and gracefully down the

ways and into the lake.

It was indeed like old-home week, with many old timers visiting Tahoe for the big event and staying around to visit with old friends they had not seen for years. None enjoyed the day more than ex-Governor Richard Kirman of Nevada who attended with his son-in-law and daughter, Mr. and Mrs. Wallace Taber of Reno. For many years the Kirmans maintained a summer home on the lake-shore and have numerous friends who still reside here. Senator Ken Johnson of Carson City and wife dropped in for a few hours and most of the Pomin and Watson clans were on hand to witness the big event. Almost all of the town's citizens and many from Truckee, Reno and the bay area were among those present but I'd be afraid to try to name names for fear of leaving out some of the important visitors. Refreshments were served in the big boat house and many stayed until dinner time. Col. W. E. Noceto, nephew of Mrs. Fred Main, who has been visiting with them for several weeks, was popular with the kids as he manned the Coke machine and handed out free drinks to the youngsters all afternoon. Col. Noceto has been stationed at Arlington, Va., and spent 29 years in the service prior to his recent retirement. On the first of September he will move to Chicago and will be employed as commerce agent with the Illinois Central Railroad.

Around 3 p.m. many of the guests left for the Corpus Christi Chapel where his excellency, Bishop Robert Armstrong of Sacramento conferred the sacrament of Confirmation upon a large class of boys and girls from Al Tahoe, Bijou, Tahoe City and Kings Beach. The chapel was crowded and the altar was beautifully decorated with colorful flowers. A highlight was the fine music offered by the Truckee choir.

On next Sunday, services will be given for the summer at the Outdoor Episcopal Chapel, which extends

a cordal welcome to members of all denominations. Rt. Rev. Noel Porter, Episcopal bishop of Sacramento, will deliver the sermon each Sunday at 11 a.m. and organist for the season will be the talented Peter Gibson of Oroville. Bishop Porter state that the pews are being restored this week and all will be in readiness for regular services next Sunday. He held brief unscheduled services today when he arrived to find a small congregation waiting. The Porters have been enjoying a visit from their daughter, Mrs. Beverly Rauh and children, Betty Louise and Teddy, of Sacramento, who plan to remain for another two weeks. Mrs. Rauh's husband, Captain Herman Rauh, is now a member of military intelligence in Tokyo, where he has been stationed for the past six months.

While I didn't get to see any of the veteran amputees brought up to the lake for a three-day vacation from the bay area hospitals, Fred Main assures me the 34 boys and their nurses and physician had a really marvelous time. The boys were flown to Minden and brought to Tahoe by buses. Understand they saw Tahoe via speed boats and were then taken to the south end where Rita Hayworth greeted them and they were dined and wined and royally entertained. Just hope this won't be the last vacation trip for the fighting lads from Korea.

Saturday evening the Yuba City high school band, 36 strong, set up their instruments in front of Jack and Dinty's Market in Tahoe City to render an impromptu and unscheduled concert. They were directed by J. Wilson McRae, music instructor in the Yuba City schools. A large crowd soon gathered to listen to their excellent rendition of both popular and semiclassical numbers, one of the finest offerings being a trumpet solo by Norman Tyler and a pleasing vocal solo by Miss Ann Van Antwerp. The group has been coming to Lake Tahoe for a number of years and always sets up in town to entertain the natives and visitors. Mrs. McRae and Mr. and Mrs. Jack Dooley of Marysville joined the members at Cisco Grove for a visit to the lake. After the concert the youngsters took off for the movies.

Latest word on the cruiser Tahoe is that a trial run will be made on Friday with regular twice a day round-the-lake service to be inaugurated over the weekend.

Tahoe Tavern opened for the season on Sunday, June 17.

Mrs. Marie Henry, chairman of the Tahoe City area's American Cancer Society fund drive, reports that the amount collected as of June 18 totals \$242.50. Those wishing to contribute may mail their checks to her at Tahoe City.

Mr. and Mrs. Denis Sach of Pineland this week learned their elder son had been promoted to corporal and is stationed in Washington, D. C., as an air force teletype operator. Cpl. Sach is about due for a furlough and hope it will be around July 24, when he turns 20. He'd like to celebrate his birthday with his family at Tahoe. Mr. and Mrs. Jack Rines and daughters Beverly and Jeannette of Los Angeles were guests of the Sachs for a week. On Thursday the party went on a fishing excursion but no one caught a fish except Bobbie Sach, who brought in a four pound german brown, his largest catch to date.

Had a lovely visit with Mrs. Irene Catterlin of Oakland, the former Irene Bell who once ran the old Bean Pot (now the John Pingree apartments in town). She is a sister of Mrs. Stella Watson and is spending a few days with

the Watsons at Watson Mill. She came to tell me of the lovely wedding of her granddaughter, the former Donna Mae Fletcher, who spent many summers at the lake as a youngster. The story of the wedding will be found elsewhere in this week's Sierra Sun.

Ring off for the week with the sincere hope that all the increased traffic one sees on Tahoe highway:

these days will mean a prosperous and lively season for all the resorts of the area. See you next week. Best regards to all, as ever, Swanee.

CHAMBERS BUYS NEW FORD FOR FIGHTING FIRES

CHAMBERS LODGE—Wittich Motors of Colfax has delivered a Ford pickup to Chambers Lodge, Lake Tahoe, for use as fire fighting equipment. Dave Chambers, owner of the resort, has for many years maintained fire protection equipment for his and other Lake Tahoe resorts, accounting for the saving of many buildings and much property over the years.

The old fire truck, being driven from Chambers' Samarkand Hotel at Santa Barbara to Tahoe, was wrecked recently on Highway 395 near Lone Pine. Al Coupure, the driver, was badly hurt and is still hospitalized.

Charges are Dismissed By Judge Charrison

KINGS BEACH—Justice of the Peace Harry Charrison dismissed charges of grand theft and issuing a fictitious check against Mrs. Bessie Wheatly. The dismissal was recommended by District Attorney Al Broyer after complaining witnesses declined to press charges.

Mrs. Wheatly was returned from Riverside on complaints signed by W. O. Mizner, Brockway, charging the passing of a \$25 fictitious check and by Sigrid Gallagher, Brockway, charging theft of \$500.

Information was received by the district attorney's office that the amounts had been made good.

Tahoe Tax Delinquency High Says Collector

AUBURN—An increase in tax delinquency was reported on the Placer County rolls this year by Tax Collector George Lothrop. Delinquent taxes in the county total \$99,362.50 on a total charge of \$2,571,886.61. This amounts to 3.86 per cent, compared with approximately 2 per cent last year.

Delinquency was reported to be particularly high in the Lake Tahoe area, Lothrop said.

Truckee Rotary Marks 12th Charter Night

The Truckee Rotary Club celebrated its 12th charter night on June 11. The club was organized March 28 and the charter granted May 20, 1939, at the Truckee elementary school. Its charter president was Joe Mattos. Mattos and past president John Ciardella are the only two members of the original charter who are in the organization today. The Reno Rotary Club was the sponsor. The Truckee Club was given the number of 4989 by Rotary International.

The local club was dedicated to the memory of those valiant pioneers who formed the historical background of Truckee and the west — the famed and immortal members of the Donner Party.

Rotary International was organized 46 years ago by Paul P. Harris, a young lawyer, in Chicago, who gathered together in a spirit of friendship and understanding a group of men, each of whom was engaged in a different form of service to the public.

This basis of membership from different walks of life, or one man from each business or profession in the community, still exists today in Rotary. There are clubs in 83 countries or geographical regions of the world. There are over 7300 clubs and a total membership of something like 560,000 Rotarians in the world.

In the next three years, Rotary International will spend \$750,000 of the Paul Harris memorial foundation fund. This fund is given to graduate students all over the world to further their education in universities of their choice.

The presidents of the local club have been as follows:
1939-40: Ed Pierce, Moke Kiehofer, Vern Pearson
1940-41: Ted Schlueter
1941-42: Oscar Jones
1942-43: Lloyd Greene
1943-44: Dee Bowen
1944-45: Tom Buell
1945-46: Arthur Couillard
1946-47: Jack Wolert
1947-48: Charles Cross
1948-49: Ernie Tschopp
1949-50: John Ciardella
1950-51: James Sherritt
1951-52: William Curran.

FAIR AND WARMER WEATHER NOTED IN TAHOE DISTRICT

TAHOE CITY—Fair and much warmer was the weather report for the week ending June 18, submitted by A. E. Frodenberg, official observer. High and low daily temperatures were as follows:
June 11th: 69, 39; 12th: 72, 38; 13th: 72, 42; 14th: 73, 44; 15th: 74, 44; 16th: 80, 48; 17th: 77, 43; 18th: low 45.

Those in charge of lowering the lake level in conformance with recent directive are holding their own as the lake level stood at 6228.88 feet Monday, with 13 gates open. The level last week was 6228.87 and the week before 6228.88.

LAKE WOMEN'S CLUB HOLD MEMORIAL RITES AT LUNCHEON

TAHOE CITY—The annual luncheon given by the Women's Club of Tahoe for incoming and outgoing officers was held last Thursday at Tahoe Inn with 29 ladies attending. Mrs. Blanche Donaldson, the new president, presided.

Out-going officers who received gifts included Mrs. Everett V. O'Rourke, who was ill in a San Francisco hospital; president; Mrs. Pearl Snyder, vice president; Mrs. Laura Wilson, secretary; Mrs. Margaret Madden, treasurer. New officers are Mrs. Donaldson, president and Mrs. Irene Cunningham, treasurer. Mrs. Snyder and Mrs. Wilson continue in their respective offices.

A beautiful candlelight service was inaugurated at the luncheon which will become an annual feature. A small table adorned with bright colored pansies held 13 candles, each representing a departed member. The candles were lighted and, as the president read the roll call, Mrs. Muriel Henry snuffed out each candle. Names of the departed were Effie Albers, Rose Sumpter, Lora Knight, Billie Mayhew, Minnie Pomin, Jane Bradshaw, Florence Droste, Bliss Hinkle, Marjorie Kehlet, Violet Garner, Ruth Sach, Julia Bechdolt and Kathleen Brandt.

Those attending Thursday's luncheon included Medames Jeannette Mitchell, Muriel Henry, Lake Forest; Beulah Carnell, Anne Martin, Allie Spalding, Anne Anderson, all of Tahoe City; Belle White, Edith Riordan, Stell Englehart and Lucille Bick, all of Truckee; Lucille Huega, Sara Hunter, Laura Wilson, Dorothy Painter and Vera Frazier, all of Lake Forest; Gladys Anderson, Blanche Donaldson, Alma Guth, Louise Geier, Irene Cunningham, Tahoe Park; Elizabeth Hansen, Maris Franz, Bernice Bechdolt, Mary Ann Connors, Tahoe Pines; Vey Young, Homewood. Mrs. Englehart took home the electric broiler, donated by Jenkinson Electric Shop of Tahoe City.

Next regular meeting of the group is scheduled for June 28 at Community Hall, Mrs. Irene Cunningham and Mrs. Louise Geier to be co-hostesses.

FIRE GUTS GARAGE IN LAKE FOREST; T.C.V.D. IS CALLED

TAHOE CITY—Fire gutted the interior of a the garage of Fred Setley, Lake Forest, last Thursday morning around 8:45. The U. S. forest service dispatched the 450 gallon tanker of the Tahoe City Volunteer Fire Department to the scene and the fire was brought under control with difficulty.

Clarence Beavers, forest service officer at Tahoe Park, declared that faulty wiring running into the garage was probably responsible for the blaze, which was fed by a quantity of stored goods, rags, and boxes. Water was pumped from the lake and a small nearby stream.

Chief Al Henry Jr. of Tahoe City was assisted by Bill Bechdolt, Al Randolph and Basil Kehoe, regular members of the crew, and Tom Sheehan and Steve Korich of Lake Forest. The Tahoe City roving tanker is under contract to the forest service to assist in fighting fires outside the local fire district, with fire fighters paid and equipment paid for on a rental basis by the forest service. The latter is responsible for any fire which is a threat to the forest area within the boundaries of a national forest.

Damage was estimated by Chief Henry at around \$600.

Trio Suffer Injuries In Car Crash at Lake

Frank R. Turner of Tahoe City, Ralph L. Barringer of San Francisco and Marion Davis were hurt in a traffic accident recently on Highway 89 south of Tahoe City.

The highway patrol reported an automobile driven by Turner, with Barringer and Miss Davis as passengers, went out of control on a curve, ran 160 feet off the road, and overturned against a tree.

Turner was cited for speeding and driving on the wrong side of the road.

In Colfax—

Mr. and Mrs. E. A. Lloyd took Junior Woodward to Colfax on the weekend and the latter will spend a portion of the summer vacation there visiting relatives and friends.

TRUCKEE DISTRICT SERVES AS MODEL OF PUBLIC UTILITIES

Manager C. Edmunds reports that the Truckee Public Utility District has the reputation of being one of the most successful public utility districts in the state and this causes many of the newer public utility districts to look to the Truckee district for information and guidance in their operations.

During the past month, directors, engineers and managers from the Forest Hill Public Utility District and the Kings Beach Public Utility District have visited the local district's office to gather information to help out their own districts. Representatives of the Clio Public Utility District have signified a desire to meet with representatives from this district.

At a recent meeting of the board of directors a discussion on ways and means to continue to finance further improvements and extensions to the district's systems was discussed but no decision was reached. Chairman E. L. Loynd stated that every effort will be made to eliminate the need for a district tax.

Ellen Gail Lyons Better After Operation in East

Mrs. James Lyons wrote from Mechanville, N. Y., that their daughter, Ellen Gail, is recuperating following a nose and throat operation and that the little girl misses her formerly frequent visits into Heller's Variety Store. The family which left here recently keeps in touch with local events via the Sierra Sun.

Huff Removes Barrier From Silver Street

Don Huff, Tahoe resort owner, has notified Placer County supervisors that he will remove a fence across Silver Street at Homewood, Lake Tahoe.

The supervisors contend Silver Street belongs to the public and closing it can be accomplished only by court action. Huff said he based his action on a decision by former Judge B. F. Van Dyke on Lake Street in the same general area but would remove the barrier rather than go to court.

West's Farm Economists Will Convene at Tahoe

The University of Nevada will be host to the 1951 conference of the Western Farm Economics Association at Zephyr Point, Lake Tahoe.

The three-day meeting will open July 16 with a dinner honoring F. B. Headley, University of Nevada, and first president of the Association. R. T. Burdick of the Colorado A&M College is president of the association this year.

Shoshone Falls, Snake River, in Idaho are 46 feet higher than Niagara.

Seek Beach Restrictions In Lake Tahoe District

The Sacramento district of the army engineers corps will be asked by the board of supervisors to declare all El Dorado County public beaches at Lake Tahoe restricted areas. This action, according to Dr. M. E. Hensley, board chairman, was taken in connection with the board's recent enactment of an ordinance providing for buoys off the beaches to protect swimmers against power boats.

Buick's newest engine—the F-263 Fireball—gives this year's SPECIAL the highest power in SPECIAL history

Remember—only BUICK has a FIREBALL ENGINE

WE get a chuckle, sometimes, over all the fuss that's being made about "new engines."

You'll note that the key feature of their design in every case is the valve-in-head principle—whether these engines are already in production or still in the dream stage.

Fact is, it takes this design to get the most from "high compression"—and how high you can go depends upon the available fuel. Using this design, wartime aircraft engines operated on 100 octane gasoline.

It also takes this design to get the more-miles-per-gallon which folks like in an automobile.

So what gives us a chuckle is this:

No other type of engine has ever been used in a Buick—which means that Buick owners, all along, have

been getting a lot of things that others have just "discovered."

But that's not all. They get something more—vastly more—because today's Fireball Engine has one standout feature found in no other automobile.

That name "Fireball" isn't just a

trick word. It describes what happens in this engine. Inrushing fuel rolls into a swirling ball of gasoline vapor compacted around the spark plug. And when the fat spark sets it off, a cyclone of power lets go.

Of course, a Fireball Engine, being a valve-in-head, keeps pace with high-test fuel, when it comes to "high compression."

But what's more important in the present state of the world is this: A Fireball Engine is designed to handle the not-so-high-test fuel we may be getting in the not-too-distant future.

So, if you want to sample all that's fine in motorcar engines, your Buick dealer is the man to see. Come in soon, and find out what the rest of the world has been missing.

Equipment, accessories, trim and models are subject to change without notice.

How to make good telephone service even better...

Faster Long Distance service Maybe you never if you place your call like this thought of it this way, but you can help your Long Distance operator

save your time if you give her your call like this: First, the name of the town you're calling. Then the telephone number. And finally the name of the person you're calling—if it's a person call. You'll find this tip particularly helpful these days when Long Distance lines are busy

carrying the calls that are aiding our military forces and our industries to build the nation's strength.

Have you started keeping a handy out-of-town number list? You'll find you can save considerable time in completing Long Distance calls if you give the operator the number you want rather than just the name and address. That way, you see, you won't have to wait while she calls "Information" in the distant town to get the number you're calling.

BISHOP OFFICIATES AT LAST RITES FOR TED SCHLUETER

TAHOE CITY— Rt. Rev. Noel Porter officiated at the services Saturday for Theodore Schluter of Tahoe Park, who died at his Tahoe home Thursday last after a lingering illness. Services were held in Oakland. A wealth of flowers filled the room and the chapel was overflowing. A large contingent of brother Masons and Rotarians attended. Interment at the Oakland Columbarium were private.

Schluter had resided at Tahoe Park for 14 years and was instrumental in the formation of the Tahoe City Rotary Club, of which he was the first president. He also belonged to Oakland Rotary and Ahames Shrine in Oakland. He was once a bicycle riding champion and had belonged for many years to the famous old Wheelman's Club of Oakland.

He was a former Oakland businessman, having operated in partnership with his brother, the Schluter Hardware Store. Always active in the social and civic affairs of the region, his cheerful advice and willing hand will be sadly missed. The entire area joins in extending deepest sympathy to his widow and daughter.

CAPITAL CHAMBER GROUP TOURS AREA ON WEEKEND

TAHOE CITY— The 38 members of the Sacramento Chamber of Commerce who made a good will tour of the Lake Tahoe and Truckee area on June 15 and 16 were guests at Squaw Valley for cocktails and a ride on the sky chair Friday afternoon.

At 5 p.m. a cocktail party was sponsored by the visitors at the Brockway Hotel for members and their guests with dinner following in the resort dining room. Mr. Flynn, vice president of the capital city chamber, introduced the visitors and Don Huff of Homewood Resort served as toastmaster. Attending from the Lake Tahoe-Sierra Association were Mr. and Mrs. Jack Dempsey, Pinecrest Resort; Mrs. Ruth Droste, Tahoe City; Harry Comstock, Brockway Hotel; George Kehlet, Meeks Bay; George Phillips, Sandy Beach; Al Richardson, Richardson's Resort; E. H. Pomin, Tahoe Park, representing the Tahoe City Rotary; C. W. Vernon, Tahoe City, representing the Lake Tahoe Chamber of Commerce.

On Saturday a tour of the lake was enjoyed by the caravan which stopped at Tahoe Park Cottage, Homewood Hotel, Pinecrest Cot-

TRUCKEE WOMAN IS EXPERT AS FLORAL HOBBYIST

Ever since she can remember, Mrs. N. F. Dolley of Truckee has been arranging flowers as a hobby. The first pressed flower pictures she recalls were made by her grandmother. In 1933, when Mrs. Dolley first came to Truckee, she and her friends searched these mountains for milkweed to use for the milkweed seed backgrounds for pressed flower pictures. By now she knows all the sports where particular seeds, pods, weeds and blossoms can be found.

In 1946 her talent for arranging was further inspired by the opportunity to take lessons in arranging from expert Naida Gilmore Hayes. From her she learned a great deal and after this instruction, Mrs. Dolley began entering arrangements in flower shows. Her first entries were at the 20th District Fair at Grass Valley where she won the sweepstakes award for the largest number of first and second places for floricultural arrangements. Since that time she has been a constant winner of prize ribbons but she considers her greatest reward the opportunity to judge at the 1950 Reno Annual Spring Flower Show.

Although she has always been alert to the possibilities and technicalities of flowers and other nature forms, Mrs. Dolley insists there is so much more to learn. She is now diligently studying the "Handbook of Flower Shows of the National Council of State Garden Shows," her guide of professional flower show judges.

Mrs. Dolley will exhibit flower arrangements, pressed flower pictures and shadow box arrangements at the AAUW Hobby Festival July 20, 21 and 22, and will be at the show July 21 to demonstrate her technique in creating these arrangements.

Justice Court Jury Finds For Defendant

TAHOE CITY— F. C. Heine of Oakland, who pleaded his own defense in the court of Justice of the Peace C. W. Vernon last Friday, was found not guilty by a jury. Heine was cited by the highway patrol September 26 last year for excessive speed and passing on a curve. Heine's car and a truck collided at the Tahoe City wye but no one was injured. Heine pleaded not guilty and demanded a jury trial.

RECENT AWARDING RECALLS HISTORY OF SCHOLARSHIP

In the recent scholarship award to Miss Mary Boyce of Kings Beach it was recalled that it was three years ago at the suggestion of one of the charter members that a student aid fund was established by the A. A. U. W. At that time, the group received, in memory of Bob Harkness, a long-time resident of Tahoe City, the amount of \$25 with which to start the fund. Another \$25 was added by the Tahoe-Sierra AAUW. It was hoped they would be able to enlarge this fund in the future by the establishment of other memorials as well as by direct gifts.

During the summer of 1948, through the untiring efforts of the late Mrs. Bliss Hinkle, Mrs. Dorothy Johanson and Miss Kathleen Starratt, a considerable sum was set aside. This allowed the branch to make two awards that year. The first award went to Roberta Robertson, now Mrs. Richard Hinkle. She is now graduating from the University of California. Barbara O'Brien received the second award.

In 1948, Mrs. Hinkle became the second president of the AAUW. As principal of the Tahoe branch of Placer Union high school and as a widely known educator, she was logical one to organize and plan for the administration of this scholarship. With the enthusiasm typical of all her undertakings, Mrs. Hinkle promoted the idea of offering a scholarship award to a local high school graduate achieving an outstanding scholastic record, this scholarship for the purpose of encouraging such students to continue their education.

After Mrs. Hinkle's death, Tahoe Sierra branch could find no more fitting memorial to its beloved member than to recognize her endeavors in the field of education by naming this scholarship, inspired and developed by her, to reward and continue promoting the high scholastic standards to which she had devoted her teaching career.

The Bliss Hinkle scholarship has also been a community achievement. The AAUW wishes to take this opportunity to thank each one who by supporting the scholarship benefit movie has aided to establish the funds for this scholarship.

Married at Tahoe

TAHOE CITY— The Outdoor Chapel, Episcopal, was the beautiful setting for the marriage rites on Monday afternoon for Janice Eleanor Downing and Lewis Mitchell Breeding. Rt. Rev. Noel Porter officiated. The couple was attended by Mr. and Mrs. Glenn C. Clark of Fresno. The bride was attractively gowned in a pink suit, carried a white Bible and wore white accessories.

The bride is the daughter of Mr. and Mrs. Wright C. Downing of Fresno, who were present to witness the double-ring ceremony. The groom is a native of Littleton, Colorado.

YOUNG COUPLE'S WEDDING IS LIKE FAIRY TALE

TAHOE CITY— Reading like a page from a fairy tale was the wedding on Sunday, June 17, at the Carson City Methodist Church for Donna Mae Fletcher and Charles Tilford Miller. Rev. J. L. Harvey performed the simple wedding before the altar and 250 invited guests. Mrs. Miller was attired in an ankle length white lace gown, her only flowers a wreath of lilies of the valley in her hair. She carried a white leather Bible. Her bridesmaid was her sister, Joan Marie Fletcher, who wore pastel blue voile and carried a corsage of orchid carnations. Best man for his brother was Jay Miller of Reno.

Donna is the daughter of Donald Fletcher of Carson City and her husband is the son of J. Miller of Reno. She is the granddaughter of Mrs. Irene Catterlin of Oakland and a grand niece of Mrs. Stella Watson of Tahoe City. Mrs. Catterlin and Mr. and Mrs. Robert Watson were present at the ceremony and later attended a barbecue given for the wedding party at Tahoe.

What made the ceremony so unusual was the fact that fact that Donna is the first young lady to be married from the Sunny Acres Children's Home, the Carson orphanage. Donna, who was born at Hobart Mills, has spent 10 years of her life at the home, and so did Charles live at the orphanage.

The bridal couple cut a beautiful six tiered wedding cake and, following a honeymoon at Lake Tahoe, will return to Carson City and try to find room in their tiny cottage for all the beautiful gifts they received.

Now in Utah—

Cliff LaPlante, former Kings Beach man, has changed his address from Oakland to Ogden, Utah.

Opens Coffee Shop—

Herb Brown has opened the Sandy Beach Coffee Shop at Tahoe Vista for the summer.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received and opened by the Governing Board of the Tahoe Truckee Unified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee, California, on or before, and no later than, 8:00 p.m. on Tuesday, July 10, 1951, for any or all of the following:

1. Prepare for moving, move, and place properly on new foundations five (5) dwellings.
2. Construct necessary footing and foundations for the five (5) dwellings at the new site.

Specifications for the above are on file at the Office of the Superintendent of Schools at Truckee, California.

Tarzan

by EDGAR RICE BURROUGHS

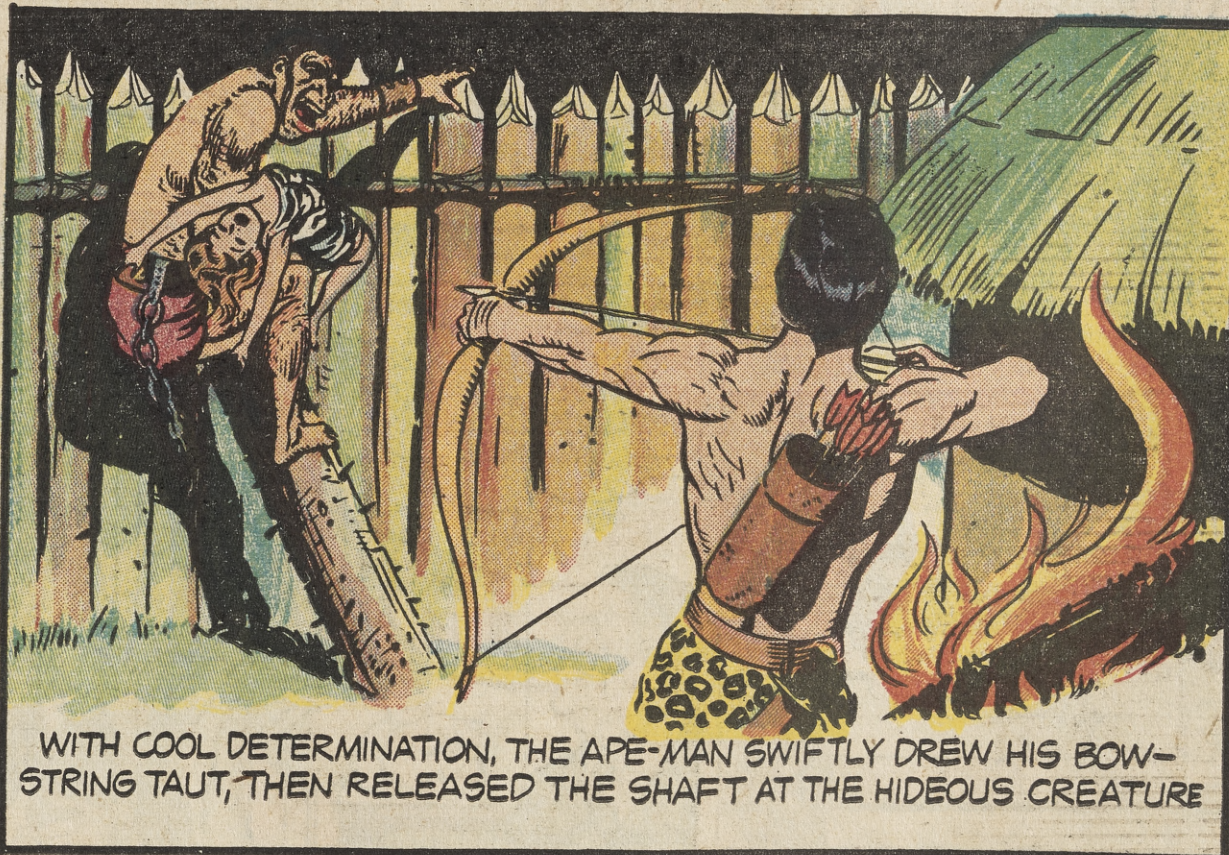

AS THE NATIVES FLED IN TERROR, THE ANTHROPOLOGIST STAGGERED INTO THE FLAMING LABORATORY. "HELP!" HE SCREAMED, "IT HAS ESCAPED WITH MY DAUGHTER!"

LEADING THE OLD MAN SAFELY TO THE COURTYARD, THE APE-MAN STARED IN AMAZEMENT. THERE, CLIMBING UP THE STOCKADE WAS IT!

SUDDENLY THE BRUTE TURNED ...

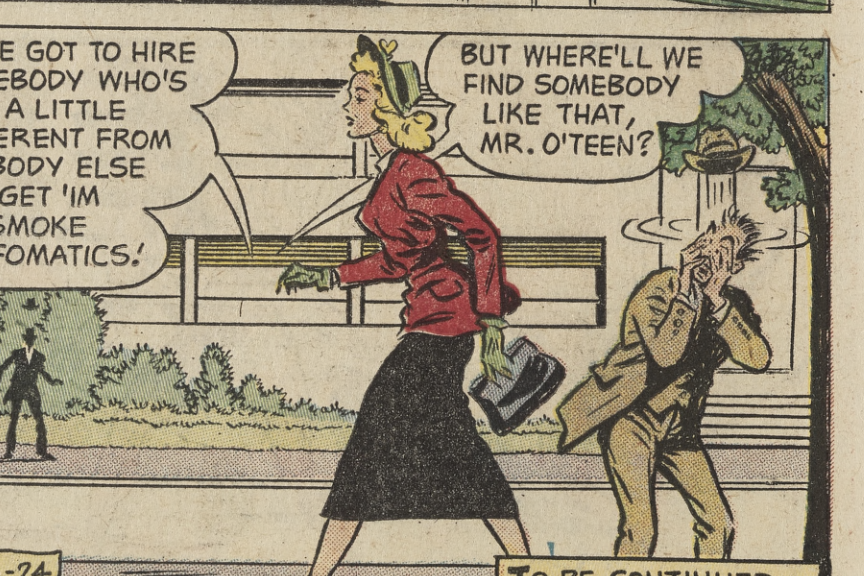

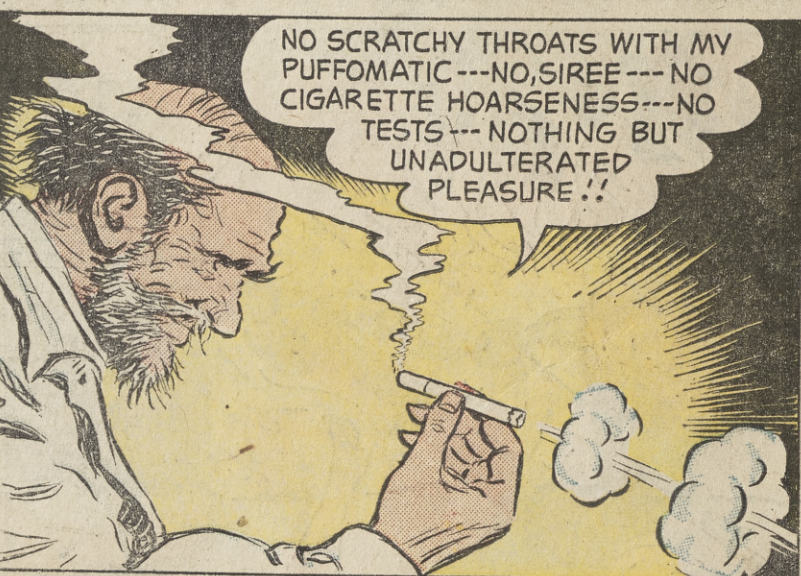

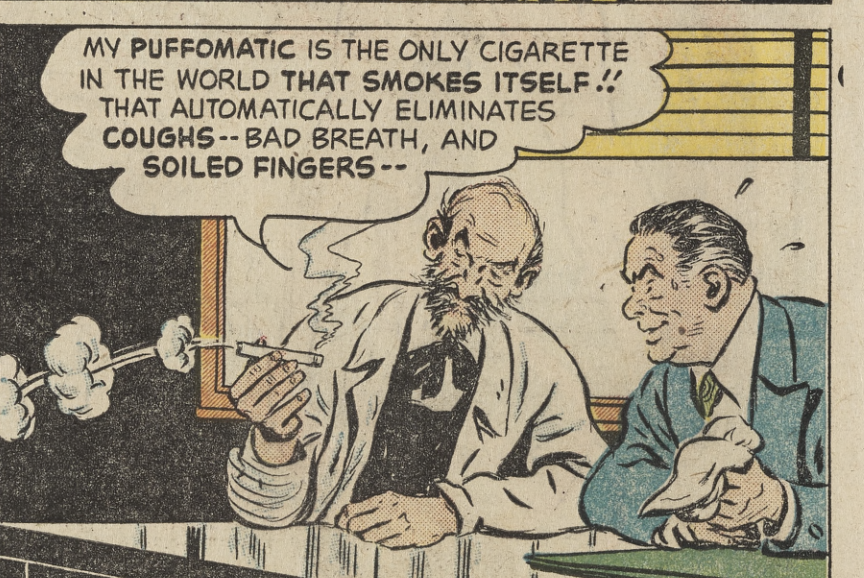

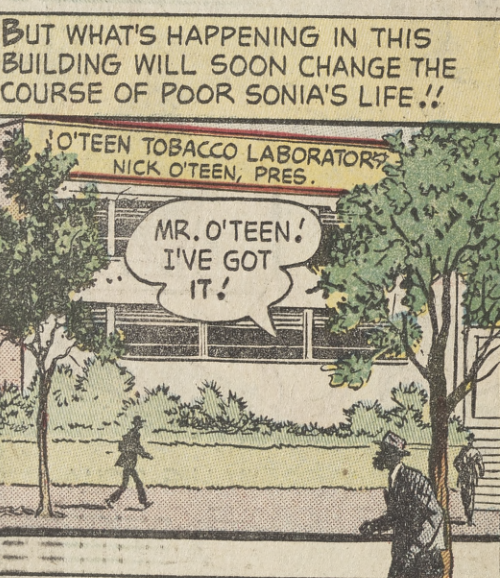

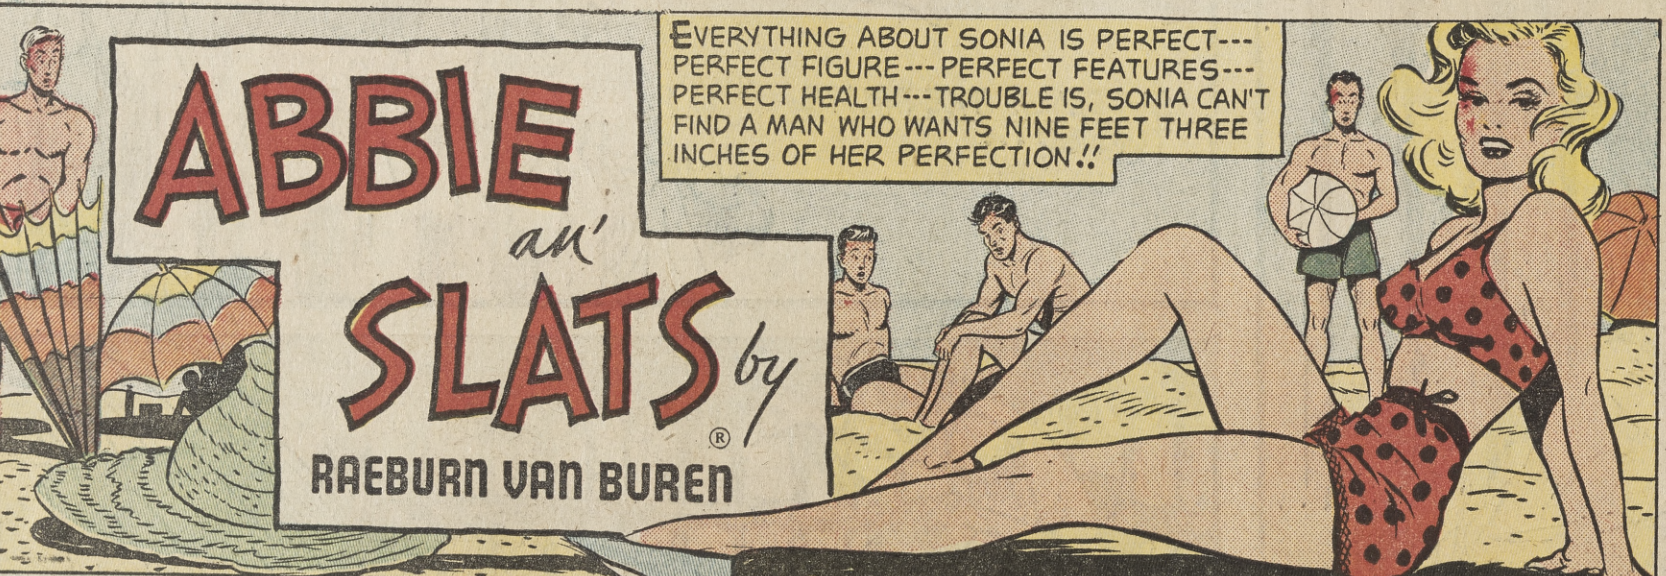

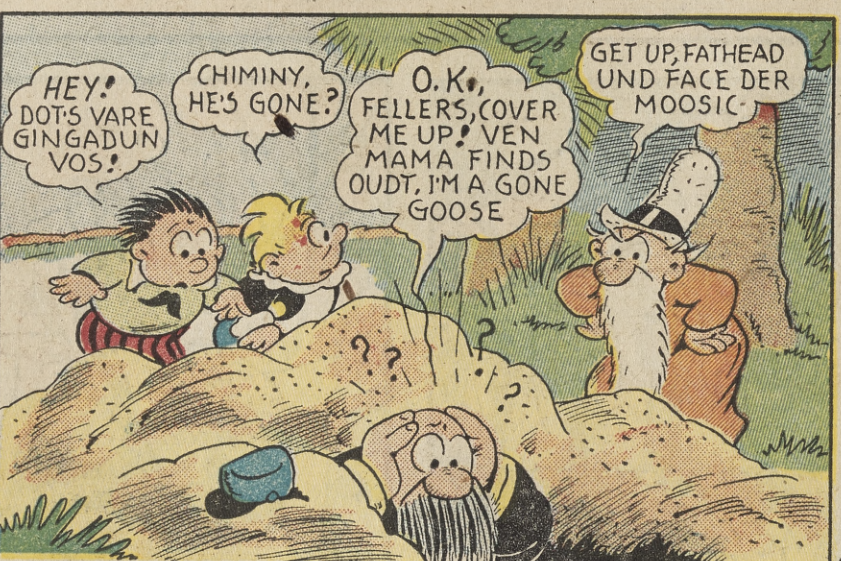

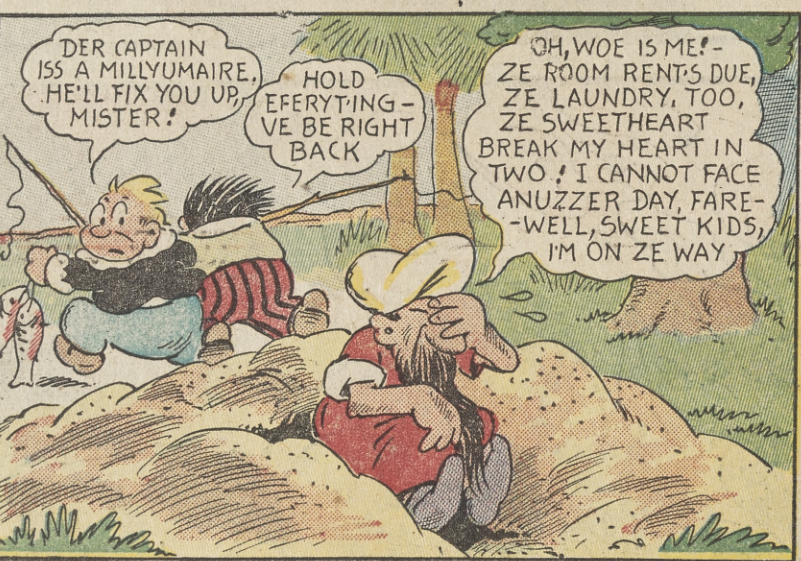

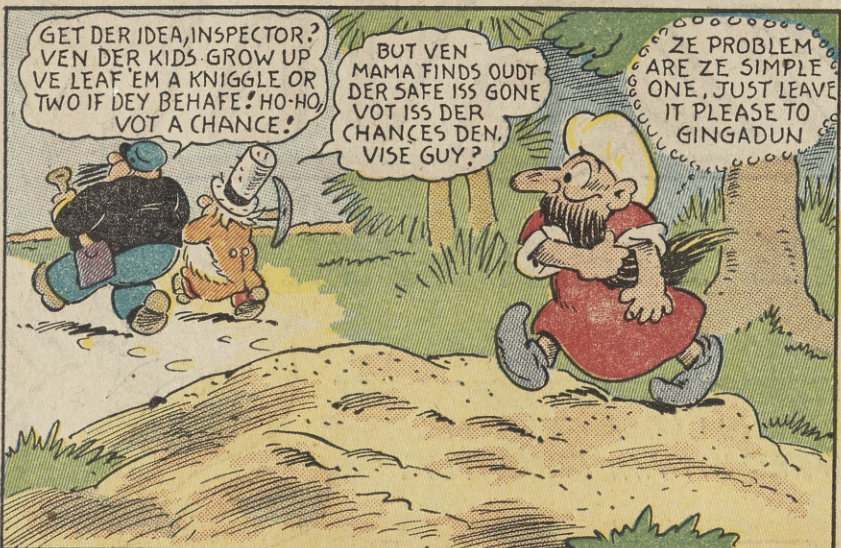

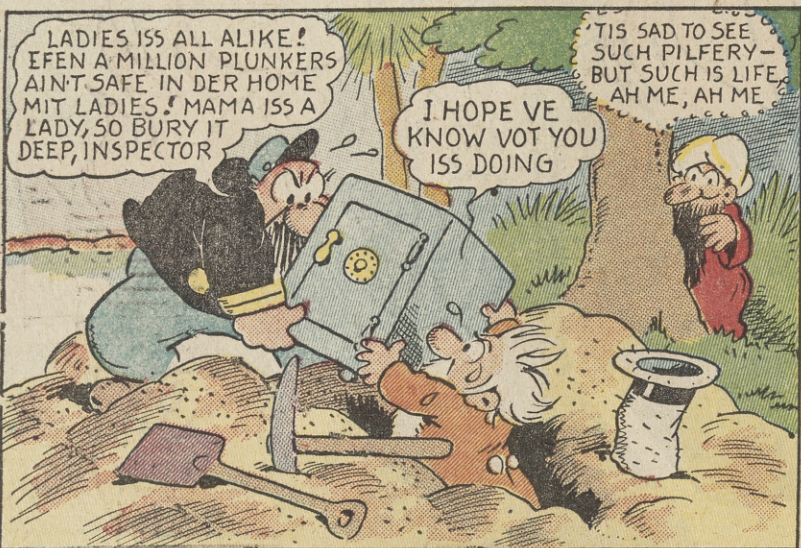

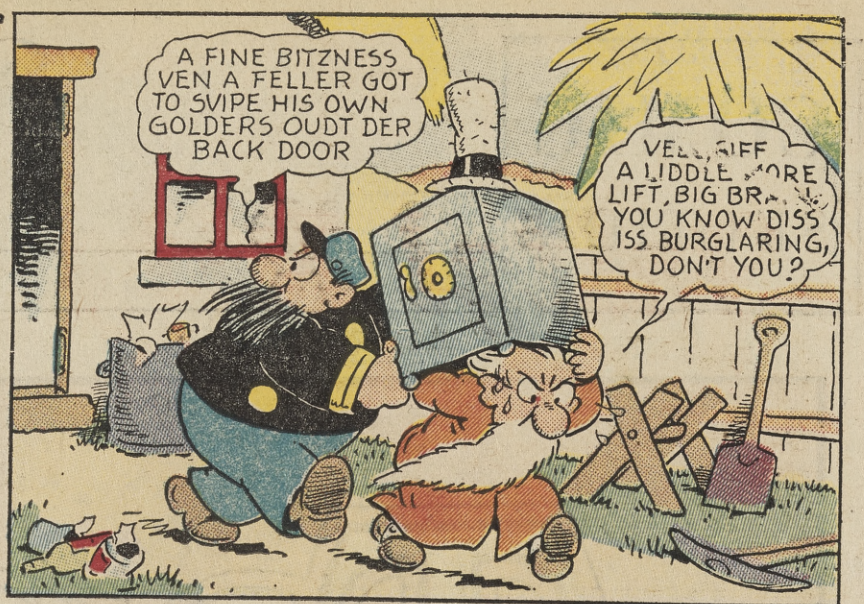

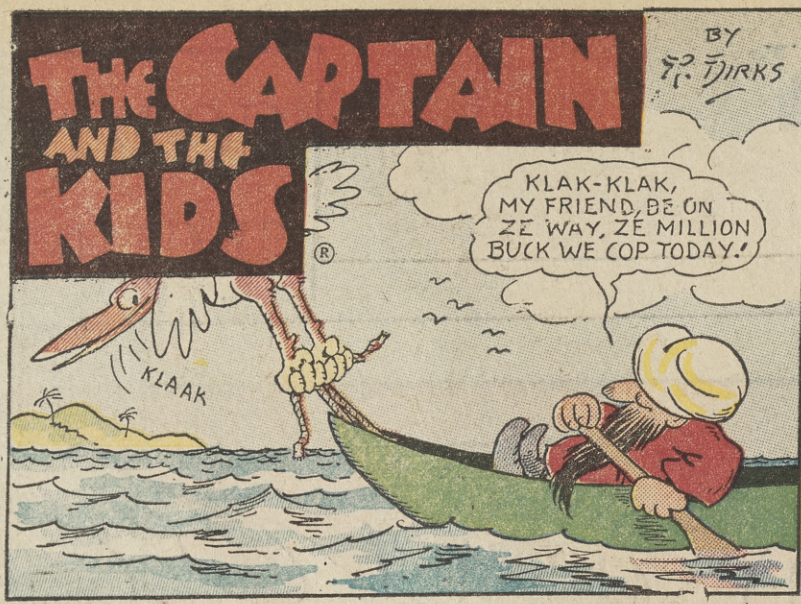

WITH COOL DETERMINATION, THE APE-MAN SWIFTLY DREW HIS BOW-STRING TAUT, THEN RELEASED THE SHAFT AT THE HIDEOUS CREATURE

THE ARROW SPED TRUE, PIERCING THE TOUGH HIDE. WITH A THUNDEROUS BELLOW OF PAIN IT DROPPED THE GIRL AND LUMBERED TOWARD TARZAN WITH DEMONIC FURY!
